CHASE'S Spring Surplus BULLETIN

★ ★ ★

March 4, 1939: Here is a fine lot of nursery stock — well rooted, liberally graded, first class in every respect — ready, willing, and able to get you all set for that spring rush. It's all in prime condition in our storage house, at the finger tips of the speediest bunch of packers that ever wrapped a bale. Shoot us a rush order and hold your hat! Where items are scarce, send us a wire — first come, first served. The prices are right, the goods are good, and the service will amaze you. Let's Go!

NR STOCK PACKED FREE FOR CASH WITH ORDER
TERMS :

2% 10 days, 1% 30 days, net 60 days to firms
with established credit.

For complete descriptions, and our entire line of Conifers, Broad-leaves, and Supplies, see our regular Trade list. If you can't find your copy, we'll be glad to send you another.

PENNSYLVANIA, October 5, 1938: "I take this opportunity to congratulate you on the extra fine Lining-Out Evergreens bought from you last spring. They look finer than any block of Evergreens I have ever lined out, and have made immense growth. I am very proud of this block of trees and, of course, now I am coming back for more."

BUDDED ROSES

No. 1 carries 24-30" of wood and 3 or more canes.
Medium carries 15-18" of wood and 3 or more canes.
No. 2 carries 12-15" of wood and at least 2 canes.
L/O mostly single stems with 8-12" of wood.

LINING-OUT STOCK

This Lining-Out Stock is all field grown except as noted. Rigid cultivation in our rich soil gives every item a wonderful root system, the thing a liner needs most. "S" means seedlings from beds; "P" means shaken from pots.

Culls are as rigidly excluded from our Liners as they are from our finished stock.

Watch Chase's Liners Grow Into Dollars For You.

(Please Make Orders In Multiples of Twenty-five)

CONIFEROUS LINING-OUT STOCK

All are field grown except those as noted in pots. All are grown from cuttings, and the field grown material has been at least twice transplanted. Roots will be carefully puddled as dug. Pot stock shipped in paper pots of the size specified unless we are instructed to shake out.
